“ I was honored to be one of Leon's friends. We met years ago as musicians, he as a drummer, me as a bass guitar man. We thoroughly enjoyed making music for many folks in NW Arkansas. Always friendly with everyone and just an all round wonderful guy. My condolences and prayers for his wife and family. I'll miss him so much. Orville Clift

“ Leon will be missed by his many Madison County friends. He had a barber shop in Huntsville, and he came to Madison County Senior Health and Wellness Center for lunch. He also performed in our Tuesday and every other Wednesday bands with Nadine being the most requested song. We loved him, and he loved us.

“ I am so thankful mine and Leon's paths crossed. Leon took me under his wing and trained me to be "a barber" when at the time there wasn't a barber school locally and that's what my passion was. He taught me everything I know and love about doing mens hair. I told him as often as I could during and even after school just how thankful I was for him and all he taught me. Thankfully soon after I graduated and got my license he started in Huntsville (where I live) so I could and did go get words of wisdom and advice from him often. I'm so sorry for your loss but I'm thankful for the impression he had on so many.

“ *Mr. Leon was always fun to be around. I sent him a letter from his POA one time that was fake, it took him several days to figure it all out. But I got him. He loved to pull tricks on those of us at the donut shop on Sunset. We have missed seeing him and was hoping he would get better so we could go see him. Our love and prayers go out to his family.*

“ *Was sad to hear of Leon's passing. I knew him when he had the barber shop on governors hill here in Huntsville. He would sit outside on the porch when weather would allow and play his guitar and sing. I would sit on my front porch and listen. He was just an all around good human being. Always willing to help and loved to aggravate or joke around. He was a good friend that will be greatly missed.*

“ *Our hearts are broken. I have only known Leon a few short years but what a character! I met him at church, ended up being in the Dale Johnston's Country Review with him and it was always a good time when he was there! Always the teaser and aggravator, you just couldn't help but love him! What a great musician, singer and story teller. A huge piece of him left with Suzie and I know they had a wonderful reunion in the presence of their King. I love you Leon, will forever remember and miss you....until we meet again....*
