“ Carl was a classmate in Rogers and we have many memories of time spent with him in class, on the football field, on the basketball court and, more recently, at monthly Meet and Eat with classmates and Class of 1962 reunions. Our class is grateful for the many hours Carl spent contacting class members, updating and organizing information and making reunion arrangements. He was and is appreciated for keeping our class informed and in touch with each other. Susan Craig Hall and Arthur West

I have lost a very very dear friend. Carl and I started the first grade together at Lowell Grade School and graduated together from Rogers High School class of '62. We have maintained that friendship with lots of memories shared. Carl will definitely missed. We were part of the "Lowell Kids ". Sharon Austin Neil
