“ *I remember Carla and Barbara in Springdale. They lived across from Ford Motor Company. Winona Carlas mother taught me to drive at 12 years old. Carla loved to clog dance, Barbara was always happy and had a beautiful smile...all the girls did including Winona. Winona would make us chocolate gravy over biscuits for breakfast we loved it!!! Carla and I had so much fun as young kids. I've always remembered the entire family. May God rest Carlas dole and Winona.*

“ My grandma was the strongest woman you would ever meet. She was beautiful, funny, and was always very family oriented...
Grandma, we shall meet again and when that day comes be ready with open arms. If we ever wonder why heaven sings? Its because you fly with angel wings... I love you.

I will always be thankful for the friendship of Carla! She was a wonderful friend that I will never forget. My deepest sympathy goes to her family, for I know that her passing has left a void in their life that only God can fill. I pray that each one in her family has, or will, accept Jesus as their own personal Saviour so that one day they will be reunited with her.

Many thoughts and prayers for the lord to wrap his arms around each of you and hold you close. I had only met her a couple of times but she made me feel very welcome.

I miss you mom. You were a constant in my life and I feel lost at times without you here. I wish I would have just listened when you had something to say that I needed to hear whether I wanted to or not. I never realized just how much alike you and I are. I feel you always close. I love you mom and never will i forget you.
