“ It's taken me a year to collect my thoughts. I met Carlyle in the summer of 1994 at All-American Combat Karate. Carlyle was a gifted martial artist and a good friend. He taught me much in the way of wrenching on trucks, everything I know about machining and archery, and passed on plenty of knowledge relating to fighting and working out. He was the kind of guy that would drop everything to help a buddy out. Never has there been a truer friend. I am a better person for having known him. Everyone that knew him knew how much he loved his daughter Breanna. Til we meet again, buddy.

“ My name is Mark Ice. I first met Carlyle in an archery shop located in Farmington, Ar., 1994. Neither of us knew the friendship that would follow. And a more true friend there wasn't! Our families expanded together, we traveled, hunted, fished, shot tournaments, laughed, cried, complained, rejoiced....loved each other as brothers! In December 2006 I was in a near fatal car accident in Indiana that left me a C5 Quadriplegic. Carlyle didn't let a day pass in 3 months where the staff would read emails of encouragement and prayer! That's just how he "rolled"! My prayers pour out to the family and friends of the loss this wonderful soul. There will never be a sunrise where he isn't missed. " Friends til the End bro! "

“ Bree,  
" By profession I am a soldier and take pride in that fact. But I am prouder-ininitely prouder-to be a father. A soldier destroys in order to build; the father only builds; never destroys. The one has the potentiality of death; the other embodies creation and life. And while the hordes of death are mighty, the battalions of life are mightier still. It is my hope that my child, when I am gone, will remember me not from the battle but in the home repeating with them our simple daily prayer." Douglas MacArthur

I've shared hundreds of conversations with your father about you. His love for you was "epic" and undying. Please accept my sincere condolences on this tragedy. Carlyle is absolutely in celebration walking with you now!

"To be spiritually minded is life and peace" Romans 8:6

I wish you nothing but a joyous life.

“ I was shocked and surprised to learn of Carlyle's passing. We worked together at Kennametal, Carlyle was a hard worker and was always trying to improve himself. I'll remember two things about Carlyle, his big smile when he saw you, and how much he loved his daughter.

After Kennametal, I would see him at a sporting goods store now and then. I'll miss getting to talk to him.

“ My name is Robert Saxton. I was a good friend of Carlyle's. I am so sorry of hearing of his passing. I have seen Carlyle several times in the last month. Carlyle and I worked together at Kennametal in Bentonville until they shut down the plant. I would really like to have someone in his family contact me about some specifics that I cannot get from the funeral home, which is undertandable. His friends, a lot of them on Facebook are asking me questions about details about the funeral, etc. and I wish one of his family members could contact me, preferably by phone, but if on Facebook, you can contact me in a private message. My phone number is 479-488-6203 and I live in Pea Ridge, Arkansas. My prayers and blessings are with you and your family in your hours, days, and months of grief.
