“ How could I add just one? You were my constant for so long. Before you married we were inseparable. Always together. I remember driving your parents home lol...we were 13. I remember our first 4 wheeler...I say our because it was, we shared everything. We made a nascar track out of the back yard. We burnt a hole in the bedroom floor....burning pitcures of boyfriends. We had the very best of times together. I love you....Renee
