She cherished the many friendships made during her nursing career.

“ *She was so beautiful. She would randomly call me up to get Mom and Dad's address so she could check on them and send them a card. She prayed for their health. The last time I saw her I took Dad to service and she sat next to me and held my hand. I could feel my own Momma connecting with us. She was so beautiful. Hugs and prayers to you Lisa. I know it's rough.*
