

Carolyn June Trammell

June 17, 1938 - July 11, 2022

Carolyn June Trammell passed away July 11, 2022. She was known and loved by many. She had perfected the art of networking long before there was a name for it. She worked for Harps for just shy of 40 years (3 months before her anniversary to be exact). During that time she trained dare I say thousands of people and helped open dozens of stores. She was well known in her community as someone who was a hard worker and who would gladly help her friends, family, and others in need. Before working at Harps she and Roy owned the Harmon Grocery and Garage. Anyone who worked with her can vouch that she had a pride about her and an ownership of her position with the company she loved so much.

Carolyn was the matriarch of the family and kept us all in line. "She was the boss!" She and Roy had two children, Debbie Blaylock (Marshall) of Tontitown, Kelton of Nashville, one granddaughter, Jami Morgan (Dakota Thibodeaux) of Elkins, one great grandson, Olen Thibodeaux, and one great granddaughter expected this fall. She loved her family fiercely and enjoyed making their favorite foods and treats. (Her fried green tomatoes, potato cakes, and gum drop cookies to name a few were unmatched.) She will be missed terribly by us all. She is survived by her sister Billie, brother Johnny, several cousins, nieces, and nephews.

She is preceded in death by her husband, Roy, parents Burl and Dessie Jones, brother Ward Jones, and sister Virginia Clevenger.

Visitation and Service at Sisco Chapel in Springdale Friday 5-7 and a graveside at Western Grove Cemetery Saturday at 10am.

“ It has been my honor to know and work with Carolyn for many years at Harps. When I was opening a new store for Harps I could always count on Carolyn having checkers trained and ready to open the store. She would never compromise on training new associates to a high level of knowledge and she was a wonderful ambassador for Harps Food Stores.

I will miss her bright smile, her laughter and her attitude toward the world. She was a very optimistic person and had a wonderful outlook on life. She was a pleasure to be around.

She loved her husband and children and very much and spoke lovingly of them at all times.

The world has lost a wonderful person but I know that she is in heaven with Roy and at peace.

“ I am truly saddened by the passing of this dynamic woman. When I first started working for Harp's, Carolyn took me under her wing and taught me everything I needed to know to be successful. She always gave me good advice and treated me like a member of her family. She was always larger than life!
I can't begin to imagine your pain. I take comfort in knowing that Carolyn and Roy are together again, and we WILL see them again one day. My prayers are for peace and comfort for the family. She loved each and every one of you so very much. God's blessings upon you all.
