“ *Carroll and I lived nearby each other, rode the same school bus, and attended all twelve years of school together at Greenland. We spend many hours on the party telephone line together, probably greatly annoying the neighbors who wanted to use the telephone. So many memories! My thoughts and prayers are with Brenda, Denny and Neva, who I all know, also to Carroll's other extended family.*

“ In my many years of working for Tyson, Carroll was always someone I could call with a question and expect an honest and helpful answer. She made it easier for me to face the difficulties that arose in the work place. I treasured each and every time we held hands and prayed. She was a warrior and role model to me year after year in all that she did. My heart aches for your loss and ours. I treasure the friendship we had and give thanks that she has been victorious over this dreadful disease. May God comfort each of you as only he can. Sue Havens

“ My heart was broken when I learned of Carroll's passing. I am at Tyson Food's in Fayetteville, NC and at one time worked with Carroll each week with payroll. She trained me on the new SAP system about 20 years ago. Such a kind person and like someone else stated " anytime I had any issues with entering payroll she always knew how to solve my problem." She never made me feel like I was bugging her when I did have a problem. She was always willing to help and we would share a laugh. She can not be replaced. Prayers for all her family and friends during this time and in adjusting to life without her presence. She has to be with GOD now. So glad I had the pleasure of working with her even if it were over the telephone. GOD bless you all.

“ *I was blessed to work with Carroll for many years at Tyson. She exemplified servant leadership, always going above and beyond to help anyone when asked with a smile on her face. There is a void which cannot be filled by her passing because she was one of a kind. I miss my friend dearly but I know she is finally at peace and watching over us daily. God bless her family during this difficult time. I love you my friend. Earlene Cheek*

“ *Carroll was such a sweet and caring lady. I enjoyed our talks selling t-shirts at the Women's state tournaments. We talked about everything. She invited me to go with her and her team mates to a Tournament in Branson. We had a blast and she was so worried that I wouldn't have fun. I was sorry to disappoint her, but I had a good time. I will always remember Carroll. Praying for peace and comfort for her family and friends. RIP Carroll.*

Carroll Cunningham, you were such a blessing here at Tyson Foods and will be missed so much.

Carroll and her family came into Cracker Barrel not too long ago and she had a big smile on her face and was just her sweet self.

Such a loss for all of us, but heaven gained an Angel.

“ Carroll helped me so much when my husband was battling cancer. She took time out of her schedule to talk to me. When I heard it came back, I prayed so hard that she would beat it. I hope she and my husband find each other in heaven and rejoice together for our lord and savior.

“ Carroll, was an extraordinarily kind person. She was always smiling even when things were not good. I have worked with her for 20+ years. She was always wanting to serve and help all Tyson Team Members with payroll issues. I never had a problem Carroll could not solve. She was beloved person and friend. I will see her again someday. “ Ms. Carroll was full of wisdom, knowledge, care, and love. She coined the phrase "I will empower you!" and that's just what she did. She taught us SO MUCH, but the manner in which she did it, left you feeling a much better and educated person. No matter how she was feeling, she was concerned about you and would ask "How are you doing?" I loved how she was a great supervisor over her Payroll Department. Her TEAM loved her and you could always tell. She treated people with high regard and respect. She was "GOOD PEOPLE!" She left a positive impact on tons of people. She will be dearly missed.
