“ *Dear Sharon & family - I didn't see Carroll often over the years, but did have a good visit with him at the Revenue office just a few months ago. So very glad for that visit. He coached my son, Jordan, in youth center football which got him off to a great start in that sport. I also remember Carroll from my early years in Springdale when he and others provided a younger boy like me some hometown Friday night hero action as a Bulldog. I've always admired & respected Carroll and will always remember him fondly. God's peace to you all.*
