“ *We were sad to hear of your loss. Even with the knowledge and anticipation of her demise, it still is difficult and sad for her loved ones when the time comes. At the same time, her care has been so hard for Cheryl, Roy and her other family and friends. I know what a relieve it must be. She is in a far better place as everyone celebrates her life. You have all love andd condolences from us.*

“ *Although very belated, please let me express my sincere sympathy to the family for their loss. I also wish to apologize for imposing on what is a very personal affair. Please let me explain why I have done so.*  
*It was strictly by chance I stumbled upon your memorial for Catherine and the name Hovey stood out. Her age would have been right and I Just wonder if she was the wife of my cousin Romeo Charles Hovey, the son of my aunt Bessie Hovey.*  
*I apologize once more for disrupting the beautiful thoughts expressed by your family members and friends and again you have my deepest sympathy for your loss.*
