

## Cathrine "Deann" Skelton

March 3, 1977 - November 20, 2022

Cathrine "Deann" Skelton, 45, of Springdale passed away on November 20, 2022 at Northwest Medical Center in Springdale. She was born on March 3, 1977 in Springdale to Billy Charles and Louise Casto Nelson.

Deann wasn't only a dedicated mother to her three children, she was also a devoted paraprofessional to special needs children at Knapp Elementary for the last two years. Deann's work ethic shined as she found her passion driving a school bus for Springdale for 20 years. When she wasn't keeping the kids in line, she served and kept up with the Neal's Cafe Coffee Crew and their city politics for over 20 years.

Deann loved watching her children compete in softball, cheerleading, football and was always there with support and her voice saying "rub some dirt on it." Even though Deann grew up in the city, she adapted to the cattle farm life with constant direction from the Skelton men.

She is preceded in death by her parents, her maternal grandparents, Felix and Ruby Casto and paternal grandparents, Loyd and Cathrine Nelson.

Survivors include her husband, Louie Skelton of the home; three children, Caitlynn Bradley, Ashley Bradley and Harold Bradley; two step-children, Tucker Skelton and Sabra Skelton; two brothers, Steve Nelson and David

Nelson; one sister, Patti Meisenbacher.

Services will be held Saturday, November 26, 2022 at 10am at Sisco Funeral Chapel of Springdale with Pastor Matt Grey and Cody Keller officiating. Burial will follow in Burkshed Cemetery.

Visitation will be held Friday, November 25, 2022 from 5 - 7pm at the funeral home.

“ *Deann was always the driver that would come over the radio and volunteer to take children home. She was the driver that would get on to students and love them at the same time. She spread her wings and took a leap of faith to become a certified paraprofessional for the special needs population of Knapp Elementary. If it needed to be done, Deann did it with a smile! I will cherish the tough and good times we shared with her children and those of SPS. I learned too, just "rub some dirt on it", and tomorrow will be better. To her family, your better tomorrows may be a while yet to come, but I pray as you share memories of your mother/wife, may they half your pain and double your laughter and joy to have been a part of her life. Blessings and prayers during this season of sorrow.*

“ Whew...I sure did not think i would be typing this today. How do we say good bye to you Thats going to be a tough one! God sure knows how to take the BEST! To the Aunt to my children, my ex-sister-in-law & now cousin-by-marriage (and I know she would think that is SO FUNNY), part of my village, & my friend- You have been my "FAMILY" for 37 years-- thats most of my life time, so I want to say Thank you! Thank you - for including, accepting & loving me, for loving (even when ya'all fight) Micah & being there for him through his roughest days, but my biggest thank you of all -thank you for being my girls "D-Dan" ! All of them, even the 2 that "aren't really" yours- you have loved ALL of them the same! Jessica started that name for you because she couldnt say Deann, and i remember the day you found out we were expecting London - you teared up with Joy, and said "I'm so happy i get to be a D-Dan again". Thank you for taking the boys under your wing - being truthful with them, for being on their "side", bragging on them & loving on them even when they didnt want someone to! My mind has been racing with all the memories old & new, all the stories told, all the family crazy we have endured, and all the funny inside jokes that will now remain between us forever. Your friendship was a precious gift to me, I will miss you always, Cindy

“ Just like the school children of Springdale, Deanne will be terribly missed by "The Coffee Crew" at Neal's Cafe. She took care of us and kept us in line with her humor and beautiful personality. You will be missed by all. I think someone in Heaven is tapping their coffee cup with their spoon.

*My condolences to the family, this was a total shock to everyone and so unexpected. I was so amazed that she could keep up with the kids on her bus and some on other buses, I subbed for her and she set rules for those kids and gave them no slack her bus was clean and they respected her. I'm sure they will miss her.*
