“ *So sorry to hear about Butch's passing. He will be missed by many. Have really enjoyed getting to know him, chatting and drinking coffee with him at Waffle House. He was a great man, very giving, and with his Service to his country, America lost a true Hero...my condolences to Mrs. Fredrick and the family.*

“ *Linda, my sweet "sister"-- I am so sorry for your loss. It is so unreal that our Butch is gone. Seems like not too long ago, I sat up all night waiting for you to come home from your date with Butch. That turned out to be some date!! That was over 40 years ago. Despite all the ups and downs, it was a good 40 years. May our Lord have his Angels wrap their wings around you and your family and lend you their strength during this time of grief. My prayers are for you. I love you. May God Bless and Keep you always. Dee.*
