“ *I was privileged to have met Charlie several years ago when I was visiting Bud Behl in the hospital. Bud and Joyce had always talked affectionately of Charlie and I was pleased to finally meet him. I later followed up by visiting Charlie a few times when he was hospitalized himself. I always found Charlie to exhibit an easy going personality with a considerable reservoir of humor. He always impressed me as a simple, honorable man who had been taken from the old fashioned pattern of integrity, honor, and reliability. It increasingly seems that there are just not many of those folks left anymore. I consider it a privilege to have known him and to have shared some time with him? I did, on one occasion, talk with Charlie concerning his journey of faith and was assured that he had been rejuvenated in the redeeming blood of Jesus Christ, his Lord and Savior. My sympathies to the family and my prayers will be that the Spirit will encompass you and whisper soft words of reassurance and love in your ears. May God Bless. Bob I. Mayes, Esq. “ *i spent my childhood on a softball field being coached by Charlie. He was one of the best. He taught me more than softball. He taught me no matter how the game is going you never give up. He was such an inspiration in my childhood. I am deeply sorry for the Hart Family loss. You are in my prayers.*

“ *Life is but a stopping place,  
A pause in what's to be,  
A resting place along the road,  
to sweet eternity.  
We all have different journeys.*

*Different paths along the way,  
We all were meant to learn some things,  
but never meant to stay...  
Our destination is a place,  
Far greater than we know.  
For some the journey's quicker,  
For some the journey's slow.  
And when the journey finally ends,  
We'll claim a great reward,  
And find an everlasting peace,  
Together with the lord*

*My thoughts and prayers are with the family.*

“ I spent many summer days with Charlie and my brother Keith during my childhood either playing baseball, hauling hay or swimming in the creek. I remember the old flat bed truck that Charlie used to drive. We always had so much fun riding around in that truck. I remember the "old Shack" that Charlie built down in the pasture on his parents place. We had so much fun playing in that old shack. I always looked up to Charlie--he was 4 year older than me but always treated me like I was someone. It's been a few years since I last saw Charlie--I believe at my fathers funeral. My family thought the world of Charlie and always looked forward to him coming around the house. So sorry to hear about Charlies death. My childhood memories of Charlie are forever with me. Wish I had stayed in touch with Charlie. My prayers will be with Charlies family. I know you'll miss him greatly. Bruce Loftin
