“ I am thanking God that we were able to know Chuck the last years of his life. What a wonderful, kind, hard-working and easy-going man who I enjoyed greatly, and came to love. Just a sweet spirit who was so proud of his family!

We had talked December 15th, longingly, about fishing again in Spring, and he asked if his grandchildren could come to the Senior Center to fish with us, and we were both looking forward to that. I have never seen anyone who could sit at the first machine they like at the casino, put a \$5 bill in, play it all day and leave with \$80! How we teased him! And did he enjoy it! And we often talked about his family and wife, his 8 lb bass on his wall, his truck with 500,000 miles on it...

Such a good, good man who will continue to live on in our hearts and to be a Guardian Angel to his family, whom he loved, so much. God Bless you and His Spirit be with you at your time of loss. Thank you so much for the photos of Chuck's life. In December, he had said what a good life he has had. Truly that is reflected in the pictures showing his joy with his family. God Bless you all.

“ *Charles was a very nice man and he loved to fish and talk about his family. Had a lot of fun when fishing with him. Going to miss his stories. I fished with him a few time but really injoyed the times he was in the boat with me*
