“ I knew Charles as a kind, sincere, caring and playful individual. We attended the same high school, Charles being a few grades ahead of me. He loved to play sports, could hit the ball for distance and was catcher for his team.

Charles, having graduated with his class of 1953, was a great supporter of VCHS Alumni and attended many school reunions. We maintained contact through the years and, though he moved away, we remained “Cove Cousins”. He will be missed.
My condolences to Charles’s family.

“ Charles loved to tease me about alien soup on Facebook, and I can't for the life of me remember how it got started, lol. But he had a great sense of humor, and I always enjoyed bickering with him. I know you all will miss him, but he's with Lela now and I'm sure they are getting reacquainted. My condolences and love to you all, Glenn, Dewayne, Sheila and the grands.
