“ Sure do miss hearing you do your "sam-an-a-hoot" and making that goofy hook action with your finger. Glad you aren't in pain but selfishly wish you were here with us. Love you !

Although I did not have the opportunity to meet you, your granddaughter Kaitlin is one of my students at Har-Ber High School. She is a wonderful young woman that is positive and continues to be a leader while making a difference in the world around her. She will keep your legacy alive and will always leave a path of making you proud. So very glad to have had her. She loved you and loves her family. Debra L Lamb, EAST Facilitator Har-Ber High School
