“ John, Jason and I are so sorry for your loss, Ruth Ann. We still cannot believe it! Getting to know Chuck through fantasy football was a wonderful chance for us. We will miss him dearly. Please know that our healing thoughts and love are with YOU at this time.

“ Ruth Ann, Linda and I send our deepest sympathy with the passing of Chuck. Chuck and I go way back to the days in Salinas where the only thing we seemed to talk about was Fantasy Football. Chuck had a way of bringing out the competitive side of everyone at the Monday night gatherings. At those gatherings male testosterone would fly. A group of guys that had known and shared a relationship bonding them for life. We loudly discuss the interpretation of fantasy football rules as Chuck would sit and listen and then would immediately throw out the "yeah, but what if..." line that we all waited for and then the "discussion" really got started. Great friend, giving community servant and a man that I dearly loved. You will be missed my friend but never forgotten. Ruth Ann thank you for sharing "Chuckles" with us. Love, Al and Linda Gardner.
