“ *Lillian, Mike, Lorinda & All the Family my heart goes out to you for it's never easy to say good bye to a dear loved one. He was a joy to be around when I used to come to the family dinners with Hailey & Momma Ruby. I pray God wraps his arms around you all and comforts you in this time of loss. Praying for you ,love you guys.*

“ *Charlie was an Arkansas original; he knew what he believed and he lived it. Once when a job superintendent threatened to fire Joe because Eli & I had come to the job site, Charlie doubled up his fist and was ready to punctuate the concrete with the guy's face. Luckily, the guy decided to go back to his job trailer where the air-conditioning was.*

“ I am so sorry for your loss. I will never forget how Charlie was always there for me and my Mom. He even mowed our lawn when things got tough for us. I also remember his honesty when I had made some not so good choices. He will forever be missed and I will pass on his kindness he showed to me many many times.
