“ I just thought I'd say
I love you and goodbye
We will miss you dearly
As I try not to cry.

I will never forget our talks
Conversations on the phone
How happy you were to see me
When I finally came home.

You worried so much about me
I worried about you too
I know this is the hardest thing
We've ever had to do.

I know you'll always be with me
Wherever I will go
No one needs to show me
I will always know.

I don't know what to do Sis
I never thought I'd lose you
Where I'll go from here
I still haven't got a clue.

I hope you'll watch over me
Be my guiding light
Giving me the strength I need
To win this endless fight.

You're my guardian angel Sis
Sitting on my shoulder
I'll always have our memories even as I grow older.

I don't want to say goodbye
But we'll meet again someday

*We'll pick up where we left off
Before you went away.*

Love your Sister Kathy

“ *SISTERS: A little bit of childhood that can never be lost!*

*Dear Cherrie,
If tears could build a stairway
and thoughts a memory lane
I'd walk right up to heaven
and bring you home again
No Farewell words were spoken
No time to say good-bye
You were gone before I knew it
And only God knows why.*

*My heart's still active in sadness
And secret tears still flow
What it meant to lose you
No one can ever know.
But now I know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store.*

*Since you'll never be forgotten
I pledge to you today
A hallowed place within my heart
Is where you'll always stay.*

*With Love From
Your Sister
Pat*
