“ *Chloe is an awesome woman very caring. I enjoyed spending time with her and Shirl sitting in her living room eating popcorn, talking, laughing. Then was weekend camping trips. Chloe, and her family. We would laugh, sing, oh and the pranks. Chloe although it has been so long since I have seen you, you will always be in my heart. You are truly an angel.*

“ I have many fond memories of Grandma Chloe from when I was a little girl and down visiting from Alaska. I loved staying on the farm, helping with the animals, homemade ice tea, and spending time with family I didn't get to see often enough. I loved Grandma's southern drawl and her gentle voice. One of my favorite memories of her was her honest reply when I noticed the cows "playing" in a way I had never seen before. When I asked what they were doing, she chuckled and replied, "They're makin' whoopee." A vocabulary lesson I will never forget!

I love you Grandma! Rest in peace!
