“ *I met Chris and knew of him through his brother Jeff who passed away in 2005. Jeff and I worked together 6 days a week for more than 6 years and he truly was my best friend. I loved him and his entire family very much. As I was just now searching the Boyd name online remembering Jeff, I discovered that Chris had very recently passed away and I was taken by surprise thinking my goodness another young man gone way to soon! But my thoughts quickly changed from one of sadness, to one of joy as I imagined what a crazy, happy, reunion filled with laughter and joy it must have been when Jeff saw his brother Chris again and that made me happy for them! I do wish to send sympathies to the family and friends in their loss. I pray for peace in your hearts and I will never forget those who have gone on before us. God Blessings! Sincerely, Mrs. James "Pattie" Main, Tontitown, Arkansas*

“ Chris, Its hard to believe that you're gone and we already miss you. I have known you since you were a teenager and found you to be a down-to-earth person. You turned out to be a fine young man and a lover of animals. That makes you alright in my book. You are no longer suffering or in pain. There is no cancer in Heaven. And I know that you are smiling down at us all. I will see you once again, and when I walk thru those Pearly Gates I know that you will greet me with a hug, As Always.

*Miss You,
