

Christopher Kevin Lott

March 7, 1967 - May 15, 2022

Christopher Kevin Lott, beloved son of Vernon and Shirley Lott, Springdale, AR passed into eternal life on May 15, 2022. Born on March 7, 1967, in Milwaukee, Wisconsin, number eight of nine children, he was also a beloved brother. He lived life fully, faithfully, generously, and joyfully.

Christopher attended Catholic school throughout his youth graduating from Damien High School (La Verne, California). He went on to earn his bachelor's and master's degrees from California Polytechnic University in Pomona. During these years he began to establish his reputation as a negotiator.

Chris succeeded in many aspects of life, working in marketing and sales for Dun & Bradstreet, Loder-Drew, PWC, and KPMG while residing in California. More recently, he moved to Arkansas to spend more time with his parents and one of his siblings and was working at API leading the Walmart account in Bentonville. In all of these and other work efforts, Chris was most happy engaging his fellow employees through mentoring, encouraging, laughing, and loving. He knew what was important in life.

Chris was a world traveler, much like his parents, however his real joy was spending time vacationing with family and friends. Traveling to multiple European countries including Ireland, England, Italy, France and Germany, cruising to Alaska, the Caribbean, Mexico and Hawaii, Chris invited and

treated many to enjoy these destinations with him.

A competitive nature lived inside and inspired him to “be the best” in all activities. Chris played volleyball, tennis, ping pong, pickleball and bocce ball as well as many board games including anyone and everyone to join the fun. A natural leader, Chris invested his time and self generously doing for others. He led water aerobics at his neighborhood pool, traveled to Maryknoll Sisters annually to assist with special events, taught CCD, supported brothers and sisters financially, assisted nieces and nephews with school projects, helped at the church food pantry, and provided insight, encouragement, advice and humor to a multitude of friends, coworkers and neighbors.

One of his most treasured activities was gardening, especially flowers. He tended gardens at his parents, sister’s, and his home, recently earning a wonderful recognition by community members earlier in 2022 for the beautiful flowers surrounding these homes. Chris sent flowers to many for all occasions including as daily reminders of his love for all persons.

Words that might best describe Christopher include: joy, selfless, generous, faithful, competitive, kind, compassionate and incredibly funny and goofy. His smile exuberated his love. Everyone was the “most important person” in Christopher’s life. A giver to the end, he is an organ donor.

Chris is survived by his eight brothers and sisters, including: Anastasia (Maryknoll Sister), Patrick (spouse Kim), Damien (spouse Mary Ellen), Bridget (partner Amy), Rebecca (partner Warren), Gretchen (spouse Joe Romano), Catherine (spouse Ronald Heath), and Jordan (partner Caroline). He is also survived by his fifteen nieces and nephews and a great niece and nephew.

Christopher passed from this world due to a heart attack. Preceded in death by his beloved parents Vernon and Shirley Lott, we believe he died of a

broken heart. In lieu of flowers, his family asks you to please consider donating to Maryknoll Sisters: PO Box 317, Maryknoll, NY 10545. www.maryknollsisters.org

“ Chris defined leading by example. He pushed me and everyone he worked with to be better, in every way. I've learned so much from him over the last several years and I will make sure to keep his influence strong at APi. As important as he has been in my work, his friendship is what I feel most fortunate to have had in my life. I will miss him more than I have the words to describe. Be at peace, my friend.

“ Chris was an amazing person and there are so many things I am going to miss.

I will deeply miss our side conversations during work meetings. I am going to miss him being my partner with the new hire training session with the attempt to make sense of what an API NSG "account manager" does.

I will miss his corky-broadway-like-energetic personality and how he could burst into a room and virtual meetings with gusto.

Most of all, I will miss how he was just unapologetically Chris.

To Chris's friends and family, thank you for sharing his time with us. It was truly a gift that can never be repaid.

“ *My sincere condolences to Chris's family and friends. I am grateful and blessed to have known Chris. He was always positive and upbeat, always grateful and appreciative for our team. He was incredibly passionate about his work...and talked too fast for me most of the time, but always told me how much he appreciated that I would tell him to slow down. Chris inspired many people to do the best and be the best that they could be. He was one of a kind. Chris will be deeply missed. - Heidi P*

“ My deepest sympathy for the loss of Chris. He has been an absolute treasure in my life and I am thankful that I had the blessing of working with him at API. When I first heard about his passing, a picture flashed into my mind of Chris walking hand-in-hand with his parents. In that picture, his mom was in the middle of Chris and his dad as they were walking Chris looked back over his shoulder and smiled. For me to have that picture has helped me process the shock and gravity of losing him. I thank God for that quick flash of a picture as there were times when Chris would share how much he missed both of his parents, I would agree that he did truly die of a broken heart. To know he is reunited with his mom and dad brings comfort to me as we mourn the loss of his presence. And Chris was a PRESENCE. He was gifted with such a big personality, that mixed with his compassionate heart, endless energy, and his soul's passion to do the right thing made him a compelling person that left a big impact in every arena he touched. I used to tease Chris that I was his favorite coordinator, but he truly did make us all feel that empowered and important. Chris entered my life at a very difficult time for me personally. We openly talked about our faith and God's divine presence and purpose and joked about being kindred spirits with similar values and life experiences. It was a gift to have that friendship in my journey and I am thankful that he was here during this season in my life. Chris left a legacy of grace by just being himself. I will miss him and I will miss knowing more about your family. He talked about you often and with such respect, admiration, and love. All of you and your family were what provided him with the fuel to be the impact person that he was and that legacy will live on in the influence he had on those around him. Hugs to all of you!

“ *Chris was so generous to work alongside. He challenged me to provide the best service I could and believed the best in me. He shared with me how challenging Lent was this year while he endured a broken heart with his father's passing. He shared how much he was looking forward to Easter and healing. I believe he is home.*

“ Hanging out in Seal Beach, driving Chris and Jordan to AYSO and club soccer games, stopping at Burger King for chocolate shakes and French fries on the way home from Sacred Heart, (much to Mom’s frustrations about spoiling our dinner.)
Watching Chris play in volleyball and tennis tournaments. Going to his amazing Halloween and Christmas parties. Playing games, doing puzzles, sharing recipes and helping him decorate at least two houses.
We will miss you dear brother and friend!
