“ *For so many years having June in our lives, was such a blessing. Her loving, kind and generous heart had no boundaries. We are filled with some beautiful memories to cherish! How many times we laughed together, family outings, games, playing cards with the family. We have been blessed to spend so many hours traveling to states we had never been before, visiting more family and seeing the beauty of our country. Our family, will honor her memory and never forget her! bobbi and the boys...*

Sending deepest sympathy to the entire family. It was always a fun time getting together for the grandkids birthdays and school activities. June had the prettiest eyes!

I hadn't seen June in a long time, but I have thought about her from time to time. She was always so sweet and kind and always had a smile to share. I had no idea she was ill. I am sad for her family and am sending love and hugs to all of you.
