“ *Son, no amount of words can ever express how much you are missed by your mom and dad. There is not a day goes by that you are not thought of. Nothing will ever replace the void your leaving has left in our hearts and our home. The only thing that keeps us going is knowing that one day we will get to see you again and that God is taking care of you now..Your sons are growing so much and we see you in them everyday. We have learned from your leaving never to take a day for granted. You are loved so much!!We will see you in heaven when God sees fit for us to come. We know you are watching from heaven and are happy and that is our wish for you..Gotta go now but remember watch for us. We love you so much!!!!*
