“ I remember Cliff from time spent as a fellow plank owner on the Monongahela. We were not in same division but the same engineering department. Great shipmate good humor.

“ My thoughts have been with him for so long that I'm not sure what to say. My heart is hurting because deep down I thought maybe there was sstill a chance until I received his letter and then the papers. I want you to know how much I loved him and miss him still to this day.
