I have known Virginia & Cliff 38 years I was 13 Years old and I was good friends with their kids we ranged from 13 to about 16 yrs old I have got the chance to visit with Cliff & Virginia a few times last couple of years & on 1 of those visits I told Cliff that when all of us kids were that young we would be bouncing off the walls, running in & out, chasing each other through their house, yelling & there was probably 10 of us or more! Every day! Bless Cliffs heart he worked all day I know he needed to rest but with us being Wild that never happened! But as we all agree Cliff was one of a kind and he was always smiling, & didn't ever tell us to Quiet down not even 1 Time!!! I love Cliff & Virginia like family & Virginia if you ever need anything please don't hesitate to ask! My prayers go out to your family I love you all
