“ Family and friends of Clifton Birge,

*I am deeply sorry for your loss and will be praying for you all during this time. I met Clifton at work 12 years ago and work with him closely for many years. We had many great times and some frustrating times also. He was very young and excited to learn and grow. We had many conversations around his goals for work. He told me one day that he wanted to move up the ranks and become the CEO. We would talk about all the hard work and dedication it would take to accomplish that goal, but I always told him he could do it.*

*He left the group we were in to work for another group within the company to help improve his opportunities. During this whole time, I was able to watch Clifton grow and start making advancements in the company. I would reach out when I saw those advancements and congratulated him. Last few years, I did not see him as often, but every time we did see each other he would always ask me what I was doing in his area. I would always tell him that I was checking up on him to make sure he was doing his job.*

*Clifton, you will be missed dearly as you have a way of drawing people near to you. I will always remember our friendship.*

“ *Birge Family,*  
*We are so very sorry to hear about Clifton's untimely passing. While there are no words that can be said to take away the pain of losing a loved one; we can just hope and pray that you all can find peace in knowing that Clifton is in a better place and free of all pain and suffering.*  
*Hopefully you all can lean on one another and your huge network of friends in this time of need. Please let us know if we can do anything.*  
*Clifton always had a smile on his face and was always a pleasure to be around. We shared similar interests in outdoors activities, like hunting and riding. I've watched Clifton grow up over the last 15 years or so. He grew up into a great co worker, friend , husband and father. Clifton will be missed greatly.*  
*Again, our thoughts and prayers are with you in this difficult and trying time. God bless you all.*

“ My condolences go out to Cliftons dad Jerry, his mom Lisa and wife Ashley and everyone else that's suffering from Clifton's passing which I think of as changing addresses. There's too much in my heart to try putting it on line. He was one of the best. My memory was when he saw a few nude women on the river and couldn't get the complete word---HOOTERS out. It was just HOOT HOOT HOOT! he was around 12 at the time. Go Fly High On The Mountain BIG GUY. Aunt Connie will see you 💖

“ We were lucky to be a part of Clifton’s baseball family. You could just feel the love he had for the boys and what joy it brought him to coach them. He was a calm presence and a great motivator. He led by example and taught them valuable lessons on sportsmanship and what it means to be a team. We are so grateful that we had a chance to know him and his beautiful family. At a time when there are far too few gentlemen, Clifton was truly a gentle man. We send our love and condolences to his family and all that were blessed to have him in their life.
