“ I'm so glad that I was able to visit with Clifton a few years before he passed because he used to be my father n law and was one of the people that was so instrumental in my journey to Christ. He had such patience and understanding and was such a great steward of God's word. Much love to you and may you rest in Peace.

He would take my brother Dennis to church with him. Such a nice man. I'm sure Dennis met him at the gate. Praying for all of his family and friends 🙏
