Twinkle twinkle little star, up above the world so high, like a diamond in the sky Colleen was our little star. She made all of our lives so much brighter from the minute she was born. She stole every heart she came in contact with and even thoughts of one via video chat. Colleen knew she was a star while in momma's belly was starting her brightness. She loved hearing the sounds of her older siblings and one of her favorites was her sister Tam singing Twinkle, Twinkle little star. Your shine will forever be with us and coming down from heaven above like the wonder you were. Shine bright our little star.

Memorial services will be Thursday, December 29, 2022 at 2pm at Sisco Funeral Chapel of Springdale.

“ *My Sweet Colleen, I loved you from the moment I learned that you were growing in your Mommy's belly! That love only grew stronger and bigger with every ultrasound picture of your chubby cheeks and pouty lips! You were beautiful and perfect the day you arrived, so perfect that Heaven wanted you back after 4 short days on this Earth. I may not have ever been able to hold you in my arms, but Grammy will hold you in her heart forever! Shine bright our little Star, and keep watch over your Brothers and Sisters until we can all be together!! I will miss and love you until then!*
