“ *"Ms. Kathy" carried my 4 children safely to and from school for many years. They adored her, even though she ran her bus like a ship's captain and took no lip from anyone! She was caring, took a personal interest in each and every one of them, and kept them safe. The teachers changed with each new school year, but Ms. Kathy was there, day after day, year after year. They each have many school bus memories! I know she'll be missed by many. Many prayers to her family. Linda, mother of Brannon Pack and Roxie, Lindsey and Katie Maestri*
