“ *I am so sorry for the passing of Connie. I always looked forward to seeing her on Fridays at the beauty shop, and on Sundays at Robinson Ave. Church of Christ. She sat right in front of me there. She always had a little bag of candy and would pick out a cinnamon one for me. Her love and smile will never be forgotten. Praying for God's sweet comfort to be with Howard and all the family.*

“ *Dear Howard (and all of your wonderful family): Deeply saddened to hear of your loss. As you were our neighbors when I was a child, it seems you have always been a part of my life, especially Connie! My mother thought the world of her and loved having Connie do her hair. She was always so kind to mom, as she was to everyone else. Indeed, she will be missed by all who knew her. Please forgive our absence from her service! We live in Texas and won't be traveling during the pandemic, but we wanted you to know we are not only thinking of our dear Connie, but of all of you at this time.*

Love & respect,

Barry & Sallye Thomas

“ Co nine was my main gal for about forty years. I looked forward to getting my hair done. She was always upbeat and always had a comment no matter what subject and advice to give. You did not wonder where she stood. Whether on religion, family or whatever. I will miss my friend. Somehow I just never considered she would not come through the virus. My prayers for the family

“ Howard, Troy and Aaron,

your mom will be missed just as being the baby of the Bowman girls but just being there. She could tell the stories and will be missed at the get togethers at Richards and all the other times when everyone gets together. She was special to all who knew her and and was loved by all.

Love,

Barbara and Frank B
