“ *Dear Friends,*

Thank you for your helpful and loved words about our son, Craig. He was all of the things you have been saying about him as a friend from childhood through his short 43 years. In addition, he was a wonderful and passionate father. Many times I watched as his daughter was lifted up by him and she hugged his neck tightly and laid her little soft cheek against his cheek. I can't describe the joy and depth of love that one could see in his eyes. Little Addison was truly his passion. She was the center of his world. As we think of the caring and love he felt for us, we can compound it many times for the love he felt for his precious child. My heart breaks when I see the rake and hoe lying neatly by the freshly laid rows of dirt in the garden at his home where he and I were planning to grow a garden. I'm thankful that we still live in the house where Craig and his siblings rolled and laughed in the freshly raked leaves, and the girls made noises on Christmas morning through the furnace vents to wake the boys, so they would wake the parents and the four of them could get to the Christmas gifts from Santa. Where we had many birthday parties, and friends from the neighborhood and around town gathered to have fun and laughs and memories. The sharing of your thoughts and prayers mean so much to us. God bless you all. Mary Littrell, Craig's mother.

“ *I haven't seen Craig in many years but I will always remember the way he treated me in highschool, he was always nice and kind and always talked to me. He had such a sweet smile always. He was loved by all and will never be forgotten. Rest in peace my friend.*

“ I want to express our deepest sympathy for your family's loss. I worked with Craig many years ago at Walmart and never a day went by without that wonderful mischievous grin. He was a dear person and will not be forgotten. Our thoughts and prayers will be with you during this difficult time.

“ My deepest sympathy and prayers go out to the entire Littrell family. I was extremely saddened by the news of Craig's passing. Although we have not spoken in many years, I will always have fond memories of him and the time we spent together during our college years and at Wal-Mart. He was a wonderful, kind person and I will always cherish those memories. May you find peace in your faith and the fond memories you hold.

“ We are praying for your strength daily. There is no way to take away the pain, but please take some comfort in knowing that the passing of time will begin to lessen the sadness and replace it with beautiful memories. We are here for you and your family and will help keep a watchful eye on the kids and the puppies. Love, The Whiteleys

“ My sympathy goes out to the Littrell family. I have known Craig for nearly 30 years and all of my memories of him are fond. A room was always brighter with him in it, he was my comedic sidekick in class(although he mastered being funny and making good grades which i never did) he had an infectious smile that he wore very well. He always had time to talk to me anytime I would run into him. I will miss him. But he will always be in my heart.
