Dear Friends,

Crystal was born in Ames, Iowa and attended school in Nevada, Iowa through 8th grade then moved to Springdale, Arkansas with her mom and completed her education. Crystal raised her two daughters and after years of hair pulling and misbehaving they finally redeemed themselves with the joys of her life--grandchildren.

Her independent spirit was revealed in her desire for travel, particularly the desert southwest. Getting on the lake for a weekend of boating was a break from the pace of daily life. The tight-knit Material OG co-workers took away some of the "work" in "workweek."

As a daddy's girl that admired her father and emulated his embrace of hard work, she dug into projects until they were done and done right.

Photo albums with thousands of memories evidenced the importance of her friends and family.

Crystal's faith in Christ, introduced to her by Grandpa and Grandma Jay, continued to grow. She wishes you would give the Lord the same opportunity to be in your life.

I love you mom/daughter/granddaughter/niece/friend/cousin/sister.

If you have memories of Crystal that you would like to recount during her memorial service, please contact the family or Friendship Baptist Church and we will schedule a time near the end of the service for this.

Memorial contributions may be made to Friendship Baptist Church, 5395 E Robinson Ave, Springdale, AR 72764.

“ *Crystal and I were pretty good friends in high school. I worked with her at Sonic and we shared many laughs together. She always wanted to have fun. I have very fond memories of her but my favorite thing was her amazing spirit and hilarious personality. We reconnected through Facebook. I got to see her love for her family and friends through pictures! I will miss her terribly. My prayers go out to her beautiful daughters. Stay strong ladies. I'm sending up continued prayers for your comfort and healing.*

“ Crystal and I worked together for many yrs at Springdale. We could cut up together and I could always count on her to get me whatever I needed! When she joined us over at willow creek it was so nice to see her smiling face again. It doesn't seem possible that she is gone. I loved her sass and her spirit. So sorry for your loss.
