“ Cindy was a big part of my teenage years at church in Springdale. We recently reconnected at a high school reunion and enjoyed renewing our acquaintance. She and her family will always be special to me. She will be greatly missed. Cheryl Teehee Canfield

“ Farewell to a dear cousin who has passed much too soon.

“ We were sad to hear our cousin Cindy passed away. There are many special memories of her starting with fun times playing together as young children in Rogers. We enjoyed later in life sharing good times celebrating birthdays and holidays together. She especially loved going with us to Glasgow's Restaurant, where we were amazed watching her down entire bowls of hot salsa, and look up with the biggest smile. Cindy will be greatly missed, including weekly calls with her to stay in touch. Our prayers go out to all of her love ones.

*Two years later, I still miss Cindy and think of her often. She was a childhood friend and a blessing to my life. Even though I miss her and her love of God and nature, her mischievous smile and laughter that rocked the room, and her sweet spirit, I know she is resting in peace and joy.*
