“ *Norma and family,*

Nancy and I want to express our love and support for you during your time of sorrow. Unless the Lord returns and carries us home we will all face the enevitable time of departing this life. God is so good to allow us to have the time we have with loved ones and the memories we carry forward. It is great to know that Dale has no pain and there is no more cancer. He will live forever as a child of God and we will all see him again.

I have appreciated his ministry and giving spirit in service to UBC.
