“ *I had the pleasure of meeting Dana and her family a few months ago and had the pleasure of caring for Dana she was such a sweet loving person no matter how bad she felt she would always give me hugs and tell me that she loved me every morning when I'd get to work! There is a emptiness in our facility without her but joy in knowing she's pain free walking on streets of gold! I love and miss you bunches Dana! Give my son hugs and kisses for me! And this is not good bye it's until we meet again sweet lady!*

“ *I never met Dana, I have only had the pleasure of knowing her beloved twin, Deanna-yet, through Deanna's incredibly strong and unwavering love for Dana, I feel as though I knew her. Her beautiful smile, the outgoing personality Deanna always spoke of and her amazing strength. The world has lost an incredible woman, daughter, sister and friend. I may never have laid eyes on you Dana but because of Deanna you will always in my heart.*
