“ I know words cannot take away the hurt you feel right now, but for those who trust in Christ, this sadness is only temporary. Not only did He make a way for us to experience indescribable joy in heaven, but He promises to help us through our grief on earth. In Matthew 5:4, He says, ?Blessed are those who mourn, for they will be comforted. Danny was one my BEST friend in High School at Pleasant Hill High School. I'm hurt so bad inside right now because I have always love him like a brother even though when had seen each other in many years. My prayers and thoughts go out to your Family. Because he will truly be missed.
