“ *Daniel was someone that you could always count on to be a friendly, smiling face when you saw him. You could tell that he really enjoyed the people interaction part of his job and took pride in what he did. He loved shuttling the special trailers around and talked about who did what at the truck rodeo every single year. He will be missed by his work family! Sending prayers to his home family! Roll on, trucker!*

“ So sorry for your loss! I worked with Daniel while I was in shuttle, he would always help a driver out if he could, and he took his job very seriously. He'll be truly missed by all his fellow drivers.

Daniel was a good man. He always came into our offices with a positive and happy attitude. He was a very kind and generous man and we greatly miss not seeing him walk through our doors everyday.

Daniel would be so kind to bring our office dog Percy Jones treats and Daniel quickly became Percy Jones favorite driver and PJ doesn't like many drivers.

Daniel was not just someone we worked with everyday he became a truly good friend to all of us at Rite Pak and DEP.

Our thoughts and prayers go out to his family.
