Danielle and I were friends for many, many years! We could be apart for years and once we were together we just started up where we left off. Danielle loved Her Family very. Much, she was very proud of her sons Michael and Tony! Now she is very happy resting in JESUS' arms! Until we meet again rest easy Danielle, I Love You, Dee 💕🙏

“ *We went on a lot of journeys together some better than others, but we did it together and that's what really mattered. From our late nights in Farmington to our long talks in springdale and all points in between. I miss you Mom and at some point I will see you again hopefully we can go on another journey together. Say hi to Mini & Bap when you see them* 😊
