“ I am so shocked and saddened to get the news this morning. He was a great leader for my mom and dad in their business for over 20 years and a mentor to me when I joined the company in 1984. I always admired his sense of humor - regardless of the situation he always broke the ice with his great humor and a smile. I learned so much from him and still think of him often. My Director of Operations in FL was hired by Danny in 1988 and we still talk about Danny today. I'm sure we always will. I'm so sorry for his family and many friends. We all lost a great man and I will miss him very much.

Sincerely,

Jim Carr

Jim, I am sorry I was not here today when you called. You know that your family has always been a part of our lives, This was so nice of you to write on Danny's wall. He has left a lot of "lost without him" people with his passing.

Thanks Judy - I am so sad because Danny was nearly the last piece of the "good old days" with my Mom and Dad. I know they both shed a tear this week but will be thrilled to see him at the Golden Gates. I'm sure the smiles and laughter will be significant!
