“ *Danny hired me in the spot the day I came to look for a job. I worked for him for over 10 years starting out bussing tables, waitressing and hostessing. During my hostess years we had many conversations. Some funny and some serious. He was a a great listener and very caring. He made working there feel more like being with a great family than holding down a job and getting a paycheck. I looked forward to coming there and that is why I stayed even after I finished college and got my first job. I will always cherish those memories and he will not be forgotten. Rest In Peace Danny.*

“ *Myself and many, many more people grew up with Danny. When we were kids, he lived over on Ross Street. I can remember being at his house numerous times because I thought I was "in love" with one of his best friends. I remember the night before homecoming when all the girls in the homecoming Court went to Mary Meastri's. I didn't even know there was an upstairs until then. And I had been there many times. I remember shortly after Randy and I got married, we went to the restaurant in Tontitown and Randy had collaborated with Danny to surprise me. Can't remember that very well either. But I think Danny put a gift (probably jewelry) in my dessert. Later in life our paths would cross from time to time and he was always so nice. I remember stopping in the restaurant in Springdale when I was in Real Estate. I was around 55 years old. Can't remember why, but he helped me with something. Danny will be greatly missed and my heart goes out to his family and the many close friends he had. God bless...*

“ *Our sincere sympathy to the Maestri family. Several generations of our family have enjoyed several generations of wonderful food and hospitality by the Maestri family. Mary Maestri restaurants were always the favorite place for dinner. Many special occasions were celebrated there with family and friends. The Cypert, Roblee, Kitzmiller families appreciated Danny for carrying on the tradition.*

“ I have known and loved my Brother in Christ for 40 some years and worked on his restaurant and home and was working on his home the day he went to be with our Lord Jesus Christ which in itself tenders my sorrow. He will be missed by hundreds if not thousands of people who knew him. Our World was in a better place with him in it. He always treated me with patience and respect and love. I will remember him during the rest of my stay on this Earth and fondly and loving so.

“ I worked for Daniel from day one of the new location in Springdale until the last day. JD got me the job and I loved his whole family very much. He was like a father to me honestly. I could tell him anything and he would give the best advice. He had so much love to give- he cared about his kids and employees very much. He got me through some of the toughest times of my life. I knew when i got to work i would have him to talk to! I loved him sooo much. He always made me feel safe and comfortable. I love you JD, jordan and the girls so much- love kelly
