“ *Sandra and children,*

*Nancy and I are sorry for you loss. We held Danny in high regard and can look back at all those memories together growing up in Northeast Arkansas. While our professions took us in different directions, our base of family love endured and now the circle is broken.*

*Life now has a void for us all. Our thoughts and prayers are with you as you look to reshape life. As Charlie Prides song said, "The easy parts over now, and the hard part begins.*

*It is my sincere hope that Danny is shooting around the throne and is joining my mother, his aunt, there. Sorry we could not be there but Hurricane Mathew had other ideas.*
