“ *I spent quite a lot of time at Dart and Tommy's house on Old Wire Rd (the 1st one). Dart was giving me a perm one day and in the middle of it started screaming and running around. A mouse was in the kitchen. I grabbed a fly swatter and proceeded to swap it to death. I think it must have been under the weather already. I always have a smile on my face when I think of this. And the fact that she always wanted to play Cribbage..She always beat me. I love you Auntie Dart.*

“ Uncle Tommy, Marla, Robbin, Boyd and Family~

I am so sad to hear about Aunt Darlette. It won't be the same around here without her. I suppose that when God is ready for us to come home, we go accordingly.

Please let us know if there is anything that we can do in the coming days, weeks, months and years as the newness of life without her comes to bare.

We love you and we are here for you,

Leigh and Candra Davis
