“ *On behalf of the Ball family, I wanted to express our deepest sympathy to the Hawkins family. My brother George and I attended St. Paul Schools through 5th grade. Alfred and Jewel were friends of my mother and father and according to my grandmother Ball, Jewel was related to her somehow. I remember attending Alfred & Jewel Wedding Anniversary and seeing many family members that I had not seen in many years. Love, God Bless*

*I just want to express my deep sympathy for your family at this time of your loss and say how much Daryls friendship has ment to me over the years. I will always remember Daryl because he had the same birthday as mine, and every year we always tried to out do each other wishing the other a happy birthday.*

*I guess I would say that he will always be a little part of my life because, I will always think of him on our birthdates since we had this unique bond.*
