“ *I was not aware David had passed away. I am saddened to learn this, my wife Cyndi and I want to extend our most sincerest condolences. David is my first cousin born 4 years after me. We would play at his house for hours while our moms (sisters Carrie & Mary) drank coffee. My father was a great hunter (obsessed) and probably had some effect on David's love of hunting / fishing. I too was in the Army like David. Although we were only kids, I still remember having tons of fun & laughs with him, he had way more cool toys than me. God bless you David.*

“ *Sheilah and I wish you and the kids all the best.
Dave probalby either has a 16 point buck in his sights right now or a
18 largemouth bass on a line right now up there in God's big place.
Or maybe in heaven he can do both at once.
We are praying ofr peace foryou and chris and Kelly.
