“ *Mr. & Mrs. Daniel,*

*I am sorry I could not be there today for Dave's service. I had known about Dave thru*

*Christi but had not met him until this year. Sometimes you wonder why people come into your life and then leave so quickly??? Maybe Dave's continual encouragement was needed to make me a stronger person to care for my Mother.*

*I am sorry for your loss but I am glad I had the pleasure to meet him because he was a great person and a joy to talk to. You know that Dave will be watching over all of us until we meet him again. Pam Evans*

“ It's only been a couple years since i first met dave. During that short time we became quit good friends, if not best friends. Dave was always there for me when i needed him. He was a honest, dependable soul with a great big heart. The household, Mr. & Mrs. Daniel & Dave, all treated me as part of the family, making me feel always welcome in their home. The family is a very special one that i am truely glad came into my life. My buddy, Dave will always be remembered as a special part of my life, friends like him are rare. He will be missed very, very much. Mr. & Mrs. Daniel, you two are very special to me too. and I intend two keep a place for the both of you in my life. I hope you will find comfort in knowing what a caring, big hearted,& loyal son you raised. He was truely one-of-a-kind.
