“ *My condolences to Mrs. Kreider and the entire Kreider family. Dr. Kreider was my major professor and boss, and became like a father figure to me over the next four years that I worked for and with him starting in December 1999. I am grateful for his support and help while in school at the University of Arkansas. I am sorry for your loss, the entire family is in my thoughts and prayers.*

“ I was very saddened to hear the news of Dr. Kreider's passing. I received my graduate degree under his leadership in the mid 90's. As I was beginning a new chapter in my life (new wife and then Mom to be), I will never forget the encouraging words he gave me. I have thought of those words often the last 20 years. My thoughts and prayers are with you all during this difficult time.
