“ I remember when I lived with David, I was always in awe of the amount of records he had. David was always funny, but knew how to be stern at the same time. I remember how happy he was when Ashley was born. His pride and joy. David was an amazing parent and uncle as well. Jane, Ashley and Allison, I send my condolences for your loss. He raised some great kids that are fantastic adults. Jane, you made him extremely happy. I'm glad that you came into his life as a positive light. God bless you. My thoughts and prayers are with you.
