“ *David and Dede,*

I just saw a post on facebook about your mother. She was so kind to me when I lived next door to you guys in Bullard. I remember several nights that she spent with me when I was taking chemo injections. She was a good neighbor. I still wear the Christmas collar that she made me that Christmas! I had forgotten that we shared the same birthday, too.

My mother went to her heavenly home 9 years ago. I still miss her terribly, but in time, you will feel the Comforter reminding you that we have a Savior who is planning a great reunion for all of His children. I will pray for you to be comforted in the days ahead. Lean on one another for strength, and trust Him to fill the emptiness of your heart with beautiful memories of your mother in the days ahead.

*You are loved,
Carolyn Barnette*
