“ *To the family my heart and prayers are with you. I only knew Ms Delores for a short time but sure enjoyed talking to her during our time. She was a pleasure to be around and I'm so glad that she trusted me to come to her home and cut her hair, and she always sent me with a bag of magazines for the beauty shop. I sure will miss those every 8 week visits. My last visit with her was great she felt good and was setting up talking, it was my honor to pray with her and just tell her I loved her. Until we meet again RIP Delores*
